1. Every student needs their own laptop.
2. We give recommendations and examples (See below).
3. Laptop needs to be Windows or Apple (recommending Apple is expensive)
4. No chromebooks or Ipads are to be used as an electronic device for learning.
5. The laptop must be charged prior to the start of the school day and students should carry their charger. "My laptop is flat" is seen as work avoidance.

Note: A PC is necessary for the elective 'Digital Technology'.

Replacement of items:

Please note that students may complete or misplace books and other items of stationery throughout the year and will be required to replace them straight away at their expense.

Students must store all writing equipment into a **pencil case**. Class teachers will assist students to identify which books and folders are required for their classes.
